

## Attachment B: MSU Contractor Travel Reimbursement Guidelines

While under contract with the University, Contractors should adhere to same travel regulations as University Employees, and therefore are subject to the following travel reimbursement terms & conditions and limits.

All travel paid or reimbursed to Contractors from University-administered funds must be done in accordance with University policies, regardless of the funding source.

Contractors are expected to exercise good judgment when incurring travel costs. Contractors will only be reimbursed for reasonable and necessary travel expenses actually incurred in the performance of official duties in accordance with the provisions in the contract.

Contractors shall not seek reimbursement for expenses not incurred; expenses provided free of charge; or expenses which will be paid or reimbursed from another source.

Travel expenses incurred in performance of contracted work shall be reimbursed as follows:

1. Submit copies of receipts preferably in pdf. format by e-mail:
  - a. Airfare - e-ticket or printed passenger receipt and itinerary showing any travel agent, baggage and change fees. Attach boarding passes for proof of travel.
  - b. Rental cars – Receipt with full cost of rental included, plus fuel receipts. Usually obtained when turning in the car - not when it is picked up – that is an estimate only.
  - c. Transportation – Receipt for taxi fare, metro or other transportation service.
  - d. Lodging – Actual cost may be reimbursed but a reasonable effort to keep lodging costs within federal per diem rates shall be made. Taxes may be added to federal per diem rates. Receipt obtained upon checkout. Check the following website for the maximum rates in the city/county you are traveling to. Note: Charges for phone calls, room service, movies, etc. cannot be reimbursed.  
<http://www.gsa.gov/portal/category/21287>
  - e. Personal car mileage – Reimbursed at \$0.54/mile
2. Meals are reimbursed based on Montana per diem rates, no receipts necessary. Please see below for details.

The following travel allowance schedule is used to reimburse contractors in accordance with State policy. To be eligible for a meal reimbursement while traveling on official business, the contractor must have been in a "travel status" for more than three (3) hours within the meal time frame. In the event that meals are included in a registration fee, no meal allowance should be claimed for that meal.

MEALS	TIME FRAME	IN STATE	OUT OF STATE
Morning	12:01 am - 10:00am	\$5.00	\$11.00
Mid-day	10:01am -3:00 pm	\$6.00	\$12.00
Evening	3:01 pm - 12:00 am	\$12.00	\$23.00
<b>FULL DAILY ALLOWANCE:</b>		<b>\$23.00</b>	<b>\$46.00</b>

3. Tipping. Reimbursement for tipping will be limited to what is considered industry standard. This includes tipping for meals, baggage handling, shuttle services, housekeeping services, etc.

How can I avoid self employment taxes This simple question was the inspiration for creating an article describing the benefits of an S Corporation That original article which was about four pages long quickly became a series of KnowledgeBase articles on the Watson CPA Group website The articles touched on basic topics such as how to elect S Corp status payroll reasonable salary determination retirement planning health care fringe benefits and liability protection Those broad topics demanded much more information both horizontally by spanning into more related issues and vertically by digging deeper into the granular yet riveting levels of the tax code The articles were grouped and relabeled as the Taxpayer s Comprehensive Guide to LLCs and S Corps which grew to 39 pages in its first edition Time marched on and more information was added to the first edition such as expanded retirement planning concerns health care options after the Affordable Care Act and business valuations including exit strategies Boom we now had our second edition at over 100 pages At that point it was suggested by some clients and colleagues to convert the PDF into an eBook as well as paperback So here we are Each week we receive several phone calls and emails from small business owners across the country who have read our Taxpayer s Comprehensive Guide to LLCs and S Corps and praised the wealth of information Regardless of your current situation whether you are considering starting your own business or entertaining a contracting gig or you are an experienced business owner the contents of this book are for you This book will show you how to reduce your self employment taxes through an S Corporation election and how to use your corporation to your retirement and fringe benefit advantage You will also learn the operational considerations of an S Corp plus the 185 reasons you should NOT elect S Corp status Want to buy or sell a business That s in here too This book is written with the general taxpayer in mind Too many resources simply regurgitate complex tax code without explanation While in some cases tax code and court opinions are duplicated verbatim because of the precise words this book strives to explain many technical concepts in layperson terms with some added humor and opinions We believe you will find this book educational as well as amusing      **Fiscal Year ....
